SHETLAND
Developing the
Young Workforce

Shetland School Leavers Toolkit

Leaving School?

There's lots of support out there, but we know it can be tricky to find information you need, at the right time.

You might find some of this useful now, and some later, explore in your own time.

For National School Leavers Toolkit see link below

www.myworldofwork.co.uk/schoolleaverstoolkit

Our Story

Developing the Young Workforce Shetland is helping young people to get motivated, qualified, and work ready, with skills relevant to modern employment opportunities, both as employees and entrepreneurs of the future.

It's a team effort to support young people to prepare for the world of work. Through DYW, schools and pupils can access inspirational opportunities from employers to help pupils understand and develop the skills they need to succeed.
